

**Dan Valley Missionary Baptist Association
Guidelines for
Application for Mission Dollars
For Support Groups and Mission Teams**

The Executive Team exists to help the local churches carry out their mission calling to make sure that community and spiritual needs are served. Because mission dollars are not unlimited, we have established the following guideline to assist in this process.

- The accompanying application should be filed out and forwarded to the Association Executive Team for review.
- All applications must be signed by a pastor or designated representative of the Church or Churches being served.
- Name and address of the group or team and contact information of person making the request.
- A brief description of how dollars will be spent and what needs will be met.
- The amount being requested.
- The Executive Team **encourages** a representative(s) of the support Group or Missions Team to come and make their presentation to the Executive Team at the next meeting.

If you have any questions, please contact Rev. Ryan McMillian, Rev. Tommy Puryear or Rev. Lance Cole at the telephone numbers below.
